Aren't they going to hear that?
Probably.
Stay calm.

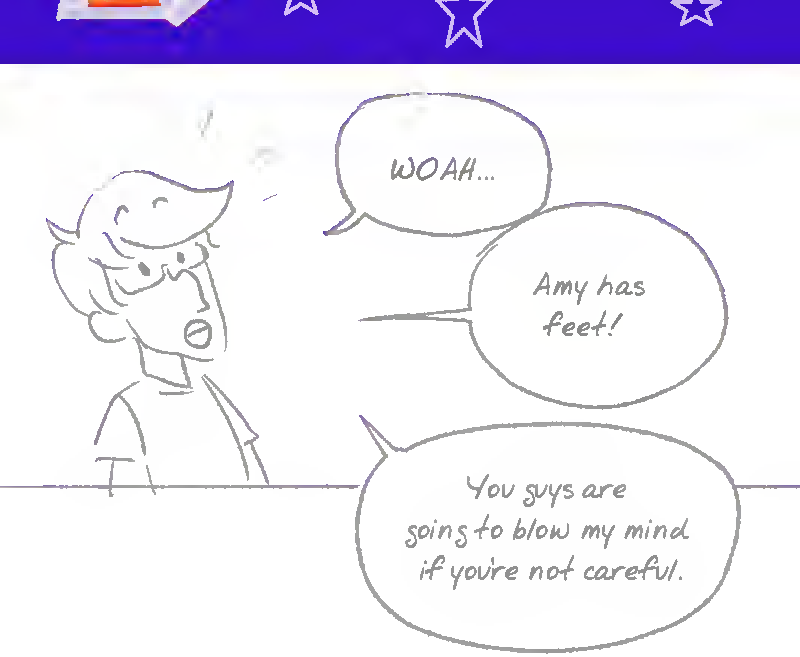
Oliver smiles.

It's the first real smile I've seen from him.



Agnes Santoso

"I thought Oliver's female version would be a beautiful girl, so here it is"

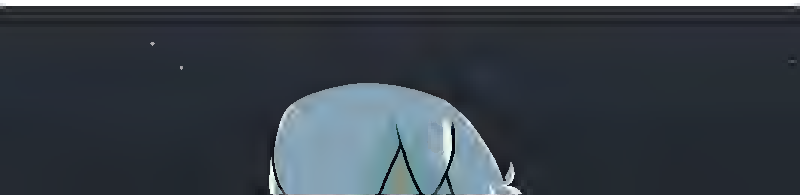
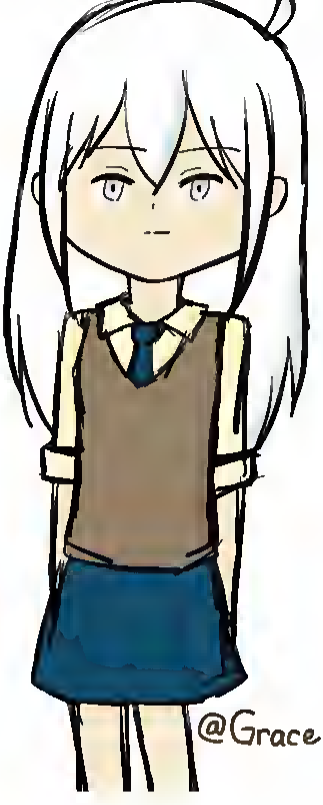
Arroz Blanco

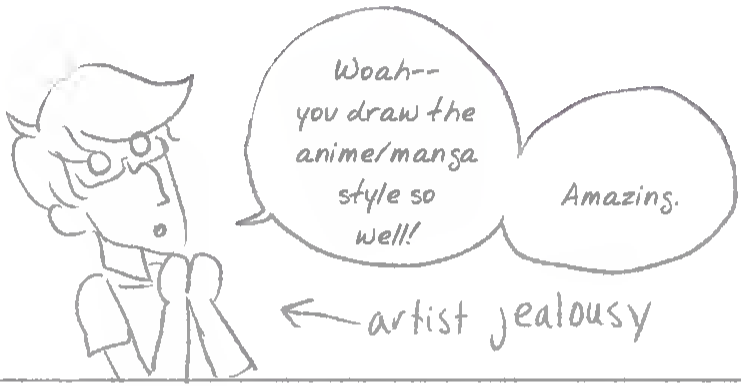
"SPACEEE BOYYY I love this comic!"





Mind.

Blown.



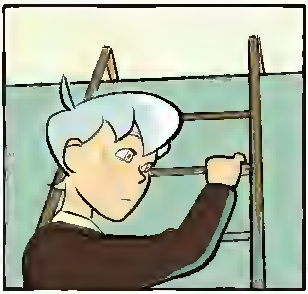
Thank you guys so much for the wonderful fan art. If I didn't post your submission today I will post it next week or at a future date.

If you're attending NYCC I'll be in a webtoons panel Saturday at four in room 1A21 of the JAVITS Center. I'd love to meet up with you!

know about that?

I--
uh--
--saw you.
Once.
Or twice.

What do you do out there anyways?
I'm working on a art project.



I don't know.

Oh dear...
We shouldn't have run! What was I thinking?

We'll be okay.
Easy for you to say! You break the rules all the time!
Stealing art supplies...
Skipping class...
Sneaking out into the forest...

How did you

Nice colors! Love the mood.

You guys can check out more of Arroz Blanco's work here:

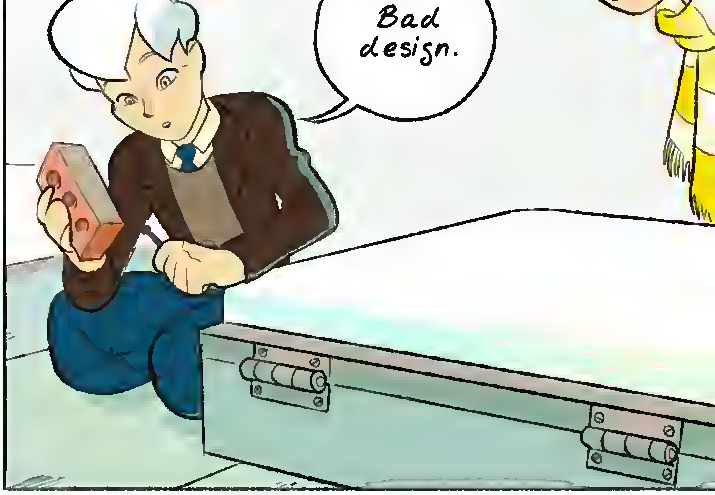
CREAK!

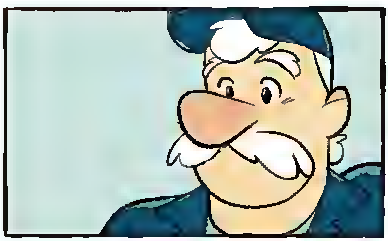


Bad design.

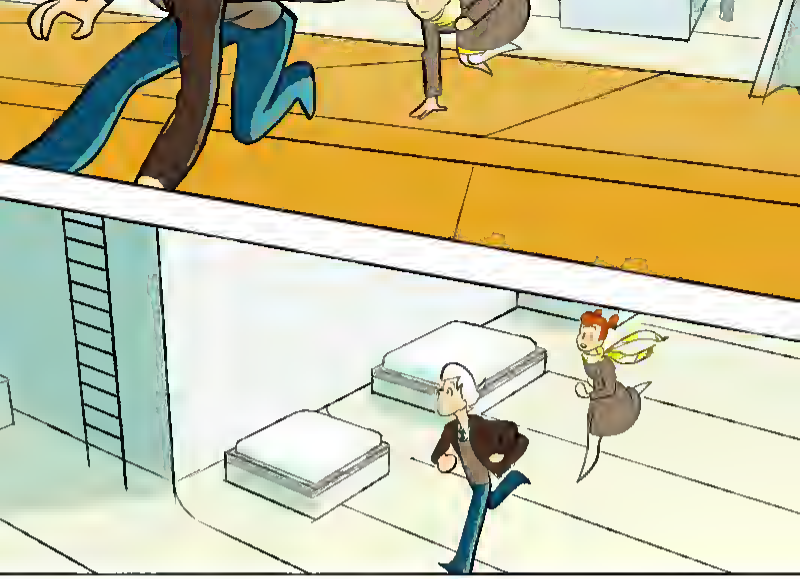
The skylight may be locked, but if we hammer the pins out of the hinges...
TINK!

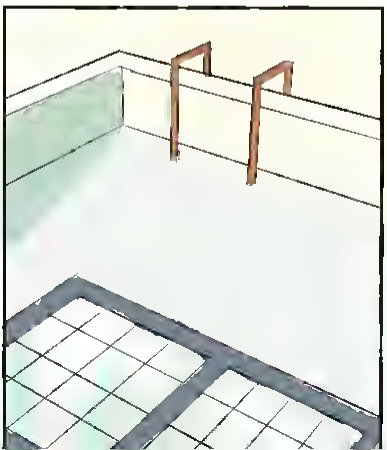
ha ha ha
Love it.

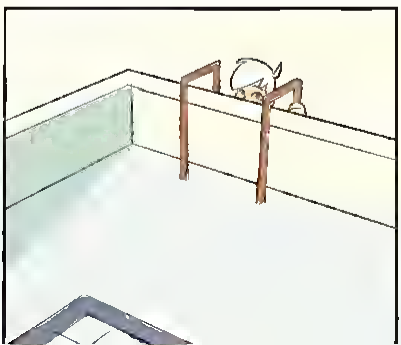
Ah
HA!

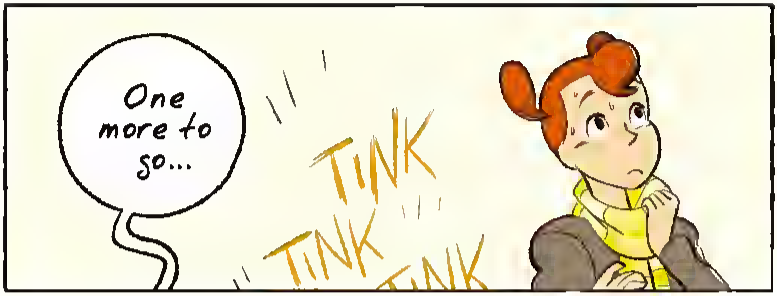


Hmm.









One more to go...

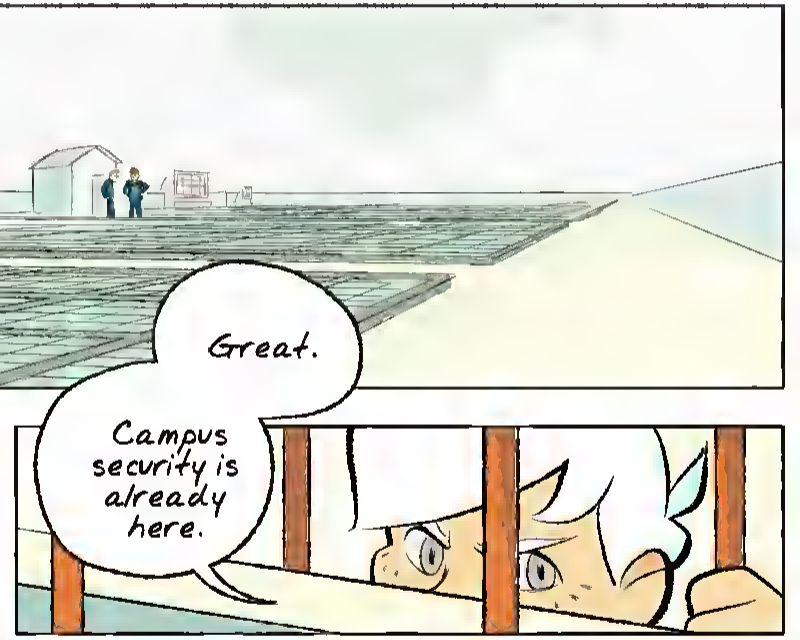
I'm getting too old for this.

39Neko

"Oliver always has a straight face so I wanted to draw him with a flustered expression."

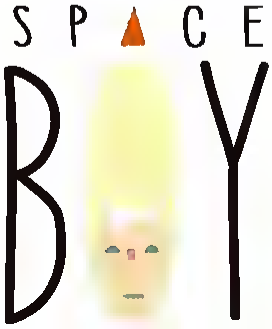


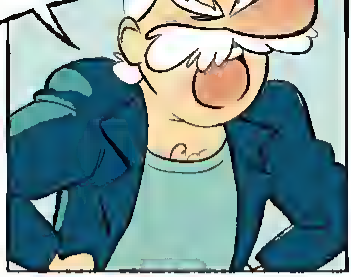
Great.
Campus security is already here.

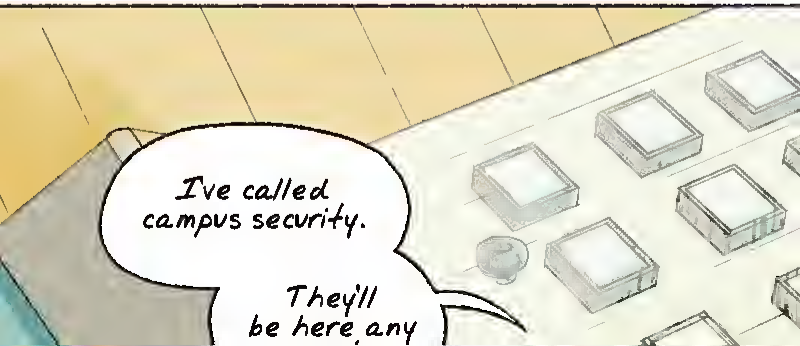
We're surrounded.
What do we do?

LINE Webtoon

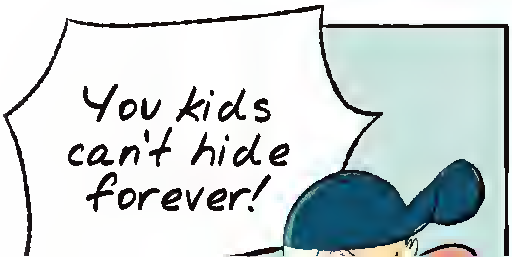
It makes me wonder what his laugh would be like...







I've called campus security.
They'll be here any



You kids can't hide forever!

window are you?
No, something a bit more elegant than that.
Ah, this brick will work.
See this skylight?
Yeah...
I noticed it when we ran by. The hinges are on the outside, see?

Olivia

"I was thinking, if they can't hide ... they can fly ¡D !
- Don't try this at home - "
